

TOOL # 1:
Understanding the Types of People in Your Community

After defining the boundaries of your community, prepare a breakdown of your community, using the following categories:

- | | |
|------------------------|----------------------|
| ☉ age | ☉ sex |
| ☉ marital status | ☉ home language |
| ☉ household statistics | ☉ types of dwellings |
| ☉ income | ☉ employment status |
| ☉ overall population | |

The information needed to complete this part of the survey can be obtained from:
