MAIN SPEAKER: REV. DR. CLIFF FLETCHER, BISHOP FMCIC

Jesus was quite clear: “make disciples”. We are disciples and we “make” disciples, but few of us have a clear working definition of what discipleship is, and few live into the fullness of Jesus-like discipleship. Discipleship is practiced today as a 12-week course, or 1-year program. It seems that people treat discipleship as something that happens to us, rather than it helping define who we are. Jesus-like discipleship is LIFE giving, and essential to living as a follower of Jesus. At RECHARGE we will take time to reconsider the clear word from Jesus, the huge responsibility and privilege of discipleship.

Morning Session: Discipleship: Part One

Afternoon Session: Discipleship: Part Two

WORKSHOPS

The Witness!
PASTOR AARON BIRTCH is the Lead Pastor of Smiths Falls Free Methodist Church. Whether you're a brand new Christian, or seasoned saint, his breakout session ***The Witness***, is for you! We will unpack the call that is upon each and every Christian to be Jesus' "witnesses." We'll be exploring what it means for us today, how we may go about it in today's culture, address some of the strategies, and lay a few myths to rest.

The Essential to Church Health
PASTOR KEN ROTH is a pastor at Chapel Ridge FMC, has helped give leadership to the city-reaching ministry of One Way Ministries, the National Prayer Team of the FMCIC and a mission agency called Adventive Cross Cultural Initiatives. Prayer has been a central emphasis for him in his involvement in these ministries and his workshop will emphasize this as he unpacks Mt.9:35-38.

Jesus in Genesis
PASTOR PAUL MILLAR is the Lead Pastor of Westport FMC and has been in pastoral ministry for the past 22 years. One of the key pillars in discipleship is the knowledge and application of Scripture. The Bible is one story of God and humanity, not two stories of the old God (Old Testament) and Jesus (New Testament). We will journey into Genesis to discover the promise of the Gospel.

How to Walk in the Kingdom of God Today!
REV. BRENT RUSSETT has pastored for 35 years and started at Asbury in September of 2018. Brent is passionate about helping people to experience God in their everyday lives. Matthew 4 tells us that when Jesus taught, he taught about the Kingdom of God. Jesus' parables were about the kingdom of God. We miss much of what God wants to do if we don't understand God's kingdom and how to walk in it.

Delight in Prayer
REV. DAVID GREENE a retired minister will be sharing his story of how he grew from having a desire to pray, to experiencing delight in prayer. In this workshop we will focus on these three topics: Desire to pray; Discipline in prayer; Delight in prayer hearing the Voice of God. Come join this workshop and enjoy conversation with each other and God.

Foundations in the Father's Heart
PASTOR RANDY WILLIAMS has been a pastor with the Free Methodist Church in Canada for 35 years. He has a heart for the Father Heart of God. Since retiring, Pastor Randy has been involved in prayer ministry. This workshop will identify the grass roots of how Father is restoring us into an intimate relationship with Him.

Genesis, Geology and the Goodness of God
ANGELA GULLEY-NORTHFIELD is a professional geoscientist, former university instructor, and loves to share Truth. In this workshop, Angela will share her spiritual and scientific journey toward the understanding of Genesis and demonstrate how true science is never in conflict with God's Word.

What does the bible say about music and worship?
PETER WALKER has been the worship leader at SFFMC since 2008. Guitarist for the "Last Supper" since 1995, has five full-length albums, and has performed in 33 countries. This workshop is a personal examination of his understanding of music and worship – as a musician, Christian and worship leader.
