8. Has the Ministerial Education Guidance and Placement Committee given due consideration to the character and performance of each ministerial member?

The Ministerial Education Guidance and Placement Committee considers the character and performance of each of the members of the General Conference on an ongoing basis and is satisfied that they are acceptable, with the exception of:

- One minister who has been suspended for conduct unbecoming a minister.
- Four ministers who were flagged by MEGaP because there are either personal/ministry issues, or about whom MEGaP has no information. MEGaP continues to monitor these situations.
