

VOUCHER

In appreciation for your generosity, we would like to share this voucher with you for the services of our partners at ADVISORS with Purpose. We hope it will be a blessing to you and your families. This voucher entitles you to a complimentary, personal and confidential Estate Plan that will help you think through your estate and consider how you can best create a Will that reflects your faith, values and desires. It also helps to ensure that the right amount is left to the right people with as little as possible going to taxes and probate. This voucher may be used to create a fully personalized estate plan or to ask an Estate Specialist for information regarding your unique situation. All meetings are held by phone so the Estate Specialists can meet with people across Canada. This is not a fundraising vehicle, no one will try to sell you anything. Your personal information or plan will not be shared by anyone from Advisors with Purpose with any organization you name.

To redeem: Call 1.866.336.3315 or email plan@advisorswithpurpose.ca Or mail this voucher, along with your contact information to: ADVISORS with Purpose, 89 Auriga Drive, Ottawa, ON K2E 7Z2
